

"La Balade Vosgienne"

20 - 21- 22 of september 2019

Regulation

ARTICLE 1 : Definition

The ASAR represented by Gerard BEDEL organize "*La Balade Vosgienne*" on 20, 21 and 22 th of September 2019. It is a touristic event on the road opened to the traffic so the strict respect of the driving rules is require.

The goal of this event is to allow Alpine's owners or the possessor of vehicles with a sporting tendency to participate to an event which principally appeals to navigation.

This balad will beging on friday afternoon with a non obligatory prologue and will finish on sunday after lunch around 4 o'clock.

ARTICLE 2 : Accepted vehicles

All the vehicles from the Alpine's series, the Gordini's models and the vehicles with a sporting type are accepted. Besides the vehicles without registration are not accepted.

ARTICLE 3 : Engagement

The application of engagement will be received, as early as the publication of the regulation and they will be sent with the rights of engagement paid to the order of ASAR. These rights of engagement amount to 600 € per equipage (one car = 2 persons).

These rights of engagement include :

- the road book
- the plate for the rally
- the numbers
- Friday dinner
- The night
- Saturday breakfast
- Saturday meal
- Saturday dinner
- the night
- Sunday breakfast
- Sunday meal
- Different surprise breaks during the week-end
- Trophies

The Teams which will not be able to be present for the friday departure will have 3 choises :

- 1. Join us at the hotel in order to have dinner and sleep on site with the other competitors.*
 - 2. Join us to the hotel only for the night without dinner.*
 - 3. Join us Saturday morning departure.*
- See particular conditions on registration form.*

All application of engagement sent without the payments rights will be ignored.

In order to avoid very important bank charges we ask our foreign friends to send with their registration form an euro cheque which will be exchange with money (euros) just before the departure.

The number of registration is limited to 80 cars, the inscriptions will be registered chronologically with the arrival date of your registration, for this reason it is important to send us as soon as possible your inscription.

ARTICLE 4 : Insurance

The guarantee "damages" and "theft" are excluded and stay under the responsibility of their owners.

The vehicles must have an insurance with the civil liability and for the persons transported.

The competitors will engage themselves to not complain against to the organisation members for any facts not mentioned in the signed agreement and recognize taking part to this event under their unique responsibility. The organisation members are responsible of any degradation,

PLEASE NOTE : the organisation did not signed any insurance for the return of competitors. Each participant is invited, if he wants, to take his own insurance.

ARTICLE 5 : Participants, vehicles

The driver will be bearer of the vehicle registration document, the driving license, the technical checking, if necessary and the driver mustn't be the subject of a driving licence's suspension.

The participants will conform to the stipulation of the Highway Code, the bye-laws of the towns and localities crossing and the prescriptions of this regulation and the road book.

A fire extinguisher, a triangle sign, a spare wheel and an electric torch are obligatory for each vehicle.

The participants undertake to respect the rules of carefulness and courtesy which are the rules.

ARTICLE 6 : Programme of the event

A detailed programme will be sent later to the participants

Friday, the 20 th September :

- 14 h : reception of the competitors at the n°16 Rue Jacques Mellez in Raon-L'Etape
- 16 h : depart of the first car for the facultative prologue.
